Desire the Masculine:

Meo dei Tolomei's Homoerotic Poetry

Meo dei Tolomei (ca. 1260-ca. 1310) was a Siennese poet who excelled at the literature of insult. One of the people he insults is Ciampolino, an ex lover. Dr. Fabian Alfie will be talking about male-male sexuality in the Middle Ages, and the poetry about it in the fourteenth century.

Thursday, September 29
12:00 - 1:00

Dr. Fabian Alfie
McClelland Park Building, Room 402
