GEISHAS TO HARAJUKU GIRLS:

The Changing Femininity of Japanese Women

Western stereotypes typically represent Japanese women as quiet, submissive, polite, and feminine. On the flip side, an average Japanese person may insist there is a lack of femininity exhibited by young Japanese women. But what is this ideal femininity? Does it really exist? Learn about the hegemonic norms and origins of modern femininity, and discover a variety of typical modern women who fall outside this “norm”.

Presented by
MAGGIE CAMP
East Asian Studies

Dr. Maggie Camp is an Assistant Professor of Japanese Linguistics in East Asian Studies and an affiliated faculty member in Gender and Women's Studies. She received her BA in Japanese and Linguistics from the University of Michigan and her MA and Ph.D. from the University of Arizona. She was a Fulbright Graduate Research Fellow at Keio University in Tokyo, Japan, where she completed her dissertation research examining the linguistic differences between Japanese lesbian and heterosexual women.
