

FORCES UNLEASHED: WHY THE SPANISH CIVIL WAR STILL MATTERS

Presented by:

Malcolm Compitello

UA SPANISH & PORTUGUESE

Scholars have called The Spanish Civil War (1936-1939) a “fratricidal war in Europe’s backwater.” The conflict became much more, galvanizing adversaries on the left and the right and serving as a prelude to the Second World War. More than 60 years later, that “war in Europe’s backwater” and its consequences still loom large in Spain and beyond. Because of its profound political, social and artistic influence, the war and the lessons learned from it still have much to teach us about how societies confront the crises that increasingly threaten civil society.

TUESDAY
OCT 17 @ 7:00PM

TUCSON
HUMANITIES
FESTIVAL

UA POETRY CENTER

Helen S. Schaefer Building, Dorothy Rubel Room 1508 E. Helen St.

FREE & OPEN TO PUBLIC **FREE Parking after 5PM**

Dramatic shifts in human history tend to spring from small acts of resistance and revolution. What can these acts in the past reveal about the modern world? Join us for the **2017 Tucson Humanities Festival: Resistance & Revolution**, a series of topical lectures, panel discussions and events, including noteworthy guests, presented by the UA College of Humanities.
