

SYMBOLS OF REVOLUTION: LEGACIES OF LUTHER IN GERMANY

Presented by:

Steven D. Martinson

UA GERMAN STUDIES

Martin Luther's intemperate writings and unabashed public statements caused a whirlwind of religious and political turmoil that has reverberated across centuries. How has Luther been portrayed and employed at critical times of revolt and revolution in German history and culture, including National-Socialist Germany? How is Luther being received in German politics today? Martinson, the author of *Between Luther and Münzer: The Peasant Revolt in German Drama and Thought*, will speak as part of a year-long series of special events at the University of Arizona commemorating the 500th anniversary of the Protestant Reformation: reformation.arizona.edu.
